BLZ-3PRO-LP/NG • BLZ-4PRO-LP/NG

BlazeGrills.com

► Built to Last

- Heavy-duty stainless steel construction backed up by a **lifetime warranty**
- Professional-quality, **cast stainless steel H-burners** deliver unrivaled cooking power and durability

► Elegantly Designed

- The 12mm-thick, heavy-duty hexagonal cooking rods soak up heat to produce awe-inspiring sear marks
- **10,000 BTU** infrared rear burner with an included rotisserie kit lets you put on a show with **succulently slow-roasted dishes.**

► Engineered with Purpose

- Double-lined, 304 stainless-steel grill hood **protects the out layer** from heat discoloration and **retains high, steady heat**
- Designed to **minimize flare-ups**, the perforated flame stabilizing grids also serve as excellent protection for the burners below
- Enjoy your Blaze grill **freestanding on a cart or built right into** your outdoor kitchen island
